The Dollhouse, starring Eliza Dushku, represents one of the best shows on television. The show has **loyal fans** and **faithful viewers**. **The show needs** a network that is as **supportive and committed** as the **millions of fans** that watch it. The show deserves full run-times, regular airing (not being pulled from the air for November sweeps), and a committed budget. The Dollhouse deserves a new home. The show is successful and would be even more successful with a great network and real support behind it. Please make your network the new home for the Dollhouse. **TNT would be a great new home for the Dollhouse.**
